## REMINDER

### **YOUR FUTURE – MAKE IT COUNT**

A ballot for protected industrial action will be sent to your home address in the next day or two. This could be one of the most important ballots you will complete.

To take protected action members will need to return more than 50% of the ballots sent out and the “yes” vote needs to be 50% plus 1.

This is your chance to show the fire service and the government that you will not accept these demands to strip away your conditions of employment.

If the required amount of ballot papers are **not** returned the QFRS and Government will say that they now have a mandate to do as they please.

**PLEASE FILL IN THE BALLOT WHEN YOU RECEIVE IT, MAKE YOUR VOTE COUNT AND POST BACK TO ECQ USING THE SUPPLIED ENVELOPE!**

**BALLOT OPENS: FRIDAY 7 SEPTEMBER 2012**

**BALLOT CLOSES: MIDDAY FRIDAY 21 SEPTEMBER 2012.**
