

## **ACTION FOR TUESDAY** **2 OCTOBER 2012**

### **Responding Stations**

At 1300hrs all Firefighters and Station Officers are to be removed from the appliance manning on OMS. If you are responded, only provide word back notification of, mobile, Code 1, 2 or 8, stop, 4 and Code 5. Call extra resources as required, but no extra word back is to be done!

### **Alarms**

No information regarding location of alarms, cause of alarms at the premises should be identified, relayed or recorded.

### **OMS**

#### *CREWING*

Crewing is only to be completed in OMS for the duration of the below calls.

Any incident that involves an insurance claim e.g. house fire, property damage by fire, MVC that involves hospitalisation by anyone on scene, or any call that is likely to involve a WorkCover claim. Fire reports for these incidents will also need to be completed.

A clarification hotline to answer any queries for this period is 0458 121 255

All crews will be required to complete their crewing as per normal practice at 1500hrs.
